President's Report

As we approach the festive season and the start of a new year, I want to take this opportunity to reflect on the past months and share my gratitude and hopes for the months ahead. Blacktown Workers Club has always been more than just a venue – it's a community hub where friendships are formed, achievements are celebrated, and support is offered when it's needed most.

On behalf of the Board, I extend my heartfelt thanks to our management team and staff for their dedication and hard work throughout the year. From our front-of-house teams to those working tirelessly behind the scenes, your commitment ensures our members enjoy exceptional service and experiences every time they visit the Club. Your efforts have helped us deliver outstanding dining, entertainment, and community programs that make Blacktown Workers Club a place people are proud to belong to.

To all the sporting bodies and volunteers who give so much of their time and energy – thank you. Your efforts not only strengthen our Club but also enrich the wider Blacktown community. Whether it's supporting junior sports, hosting competitions, or volunteering at events, your contribution is invaluable. We are proud to stand alongside you and celebrate the achievements you make possible.

I also wish to acknowledge my fellow Directors for their guidance and support. Together, we have navigated challenges and embraced opportunities to keep our Club thriving.

For those who have lost loved ones and face a difficult Christmas, please accept our deepest condolences. The festive season can be hard, and we want you to know that you are not alone. Our Club is a place of friendship and community – we invite you to come in, share a meal, enjoy some company, and find comfort among friends. If you need a space to connect, we are here for you.

On behalf of the Board, I wish you all a Merry Christmas and a Happy New Year. May the season bring joy, peace, and good health to you and your families. Thank you for making Blacktown Workers Club the vibrant, welcoming community it is today.

Warm regards,

Jack Miller

CEO's Report

As we close out an extraordinary year, I want to take this opportunity to reflect on the past few months and share what's ahead for December, January, and February.

First and foremost, I want to acknowledge and thank our incredible staff. The success of our 70th Anniversary celebrations, the joy of the Children's Christmas Party, the warmth of our Seniors' Christmas Lunch, and all the festive events we've hosted simply would not have been possible without the dedication, teamwork, and camaraderie of our people. These moments are a true testament to what can be achieved when passionate individuals work together toward a common goal. Your commitment to excellence and to creating memorable experiences for our members and guests is what makes this Club so special.

This year, our team went above and beyond—not only in delivering exceptional events but also in supporting our community. Together, we prepared 780 for Christmas Hampers for Food Bank, 550 Christmas hampers for Meals on Wheels, ensuring that those in need receive a little extra care and kindness this festive season. And what an incredible turnout at the Children's Christmas Party, with over 5,500 children enjoying a magical day at the Showground!

A special thank you goes to the sporting bodies and volunteers who generously gave their time and energy to help make this event such a success. Your contribution reflects the spirit of community that defines our Club.

Our Club is more than a venue—it's a cornerstone of connection, belonging, and support for the Blacktown community. For 70 years, we've stood as a place where friendships are formed, families gather, and people come together to celebrate life's moments. That legacy continues today because of the dedication of our staff, volunteers, and members.

As we move into the Christmas season, I encourage everyone to take time to reflect on the true meaning of this time of year—family, community, and kindness. If you can, reach out to someone who might need a little extra support or companionship. A simple act of kindness can make a world of difference.

Looking ahead, New Year's Eve is set to be spectacular across the group!

The ever-popular Frocks return to the Diamond Showroom for an unforgettable night of entertainment.

Our lounges will feature member favourites playing live music, creating the perfect atmosphere to welcome 2026.

And for something truly special, join us in Hilights Restaurant, where you can enjoy 360-degree views of the celebrations while indulging in a premium dining experience.

On behalf of the entire team, I wish you and your loved ones a safe, joyful, and memorable Christmas and New Year. Thank you for being part of our community—we look forward to sharing more great moments with you in the year ahead.

Workers Connect

Spreading Kindness, One Hamper at a Time

On Wednesday 13 November, in celebration of World Kindness Day, a team of enthusiastic Workers Lifestyle Group staff rolled up their sleeves and stepped into the warehouse at Foodbank NSW & ACT. What followed was a day powered by teamwork, laughter, sweat... and a whole lot of heart.

Together, our volunteers helped pack more than 13 pallets of Christmas hampers, each one destined for individuals and families doing it tough this holiday season. The scale of the day's effort was nothing short of extraordinary — collectively, those hampers will support 780 families, equating to 10,140 kilograms of food and creating an incredible 18,252 meals.

Every box we filled represented more than just groceries. It symbolised comfort, dignity, and a moment of relief for someone facing hardship. As we moved through the warehouse — taping boxes, sorting items, loading pallets — the energy was upbeat and united. The team knew they were contributing to something bigger than themselves.

For many of our volunteers, the experience was also eye-opening. Seeing the sheer volume of need laid out in pallets and boxes was a stark reminder of the growing number of families who rely on Foodbank's support. It reinforced why partnerships like ours matter — and why stepping in to help, even for one day, can create a ripple of positive change far beyond the warehouse walls.

The day also offered our team the chance to connect with each other outside the usual workplace setting. It strengthened bonds, sparked new conversations, and brought together staff from different departments who rarely cross paths. Working side by side for a shared cause created a sense of unity and pride that carried long after the last pallet was wrapped.

Foodbank plays a vital role in supporting Australians experiencing food insecurity and being part of their

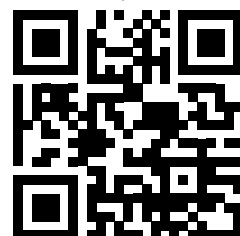

mission, even for a day, was an honour for our staff. The atmosphere was full of purpose, fuelled by a shared belief in giving back and strengthening our community when it needs it most.

World Kindness Day encouraged people everywhere to take a moment to spread a little joy. For our team, it was a powerful reminder that kindness isn't complicated — it's in the showing up, the pitching in, and the willingness to help strangers we may never meet.

This Christmas season, 780 families will feel a little lighter because of the day we shared at Foodbank. And for us? We walked away reminded that kindness is contagious... and we're just getting started.

For more information on the incredible work Foodbank does every day, scan the QR Code for more information

Gifting Hope & Warm Meals: Our Staff Join Forces with Blacktown Meals on Wheels

On Thursday 4 December, bright and early, a group of dedicated staff and Board members from Workers Lifestyle Group gathered with one mission — to pack and deliver 550 hampers bound for Blacktown Meals on Wheels. The goal? To bring a little extra warmth, nourishment, and holiday cheer to residents of Blacktown who may otherwise go without during the festive season.

By midday, 550 hampers were meticulously assembled — a joyful mix of essential food items and thoughtful treats — packed with care by staff volunteering their time. Once everything was ready, the team loaded up and delivered the boxes straight to Blacktown Meals on Wheels, ready to be distributed to local residents in need.

Blacktown Meals on Wheels has been supporting our community for more than 50 years, delivering nutritious meals to older residents, people living with disability, and carers who need a little extra help. Their service plays a vital role in ensuring nutritional wellbeing, social connection and independence for some of the most vulnerable people in our community. Every meal delivered is more than just food — it's a welfare check, a moment of conversation and a reminder that someone cares.

Beyond home-delivered meals, the organisation also provides Social Day Restaurants and group outings, offering clients a warm meal, friendship, and activities in a supportive environment. These programs are essential in combating social isolation — a challenge faced by thousands across Western Sydney — particularly during the festive season when loneliness can feel even sharper.

For Workers Lifestyle Group team, this annual hamper effort has become a tradition grounded in kindness, teamwork and community connection. The morning was filled with laughter, shared stories and a sense of purpose as staff from different

departments came together for a cause bigger than themselves. Many commented that this experience is a highlight of their year — a moment to slow down and give back.

This year's effort felt especially meaningful, with the rising cost of living placing additional pressure on local families and seniors. Knowing that these 550 hampers will bring comfort, relief and a smile to Blacktown residents made every early start, every packed box and every delivery run worth it. The impact goes far beyond the items inside each hamper — it offers dignity and reassurance at a time of year when it's needed most.

Workers Lifestyle Group has proudly supported Blacktown Meals on Wheels for many years and each year our commitment grows stronger. Our staff and Board step up willingly, volunteering their time to pack and deliver the hampers, making the initiative feel truly special. This is community spirit in action and it reflects the values we hold close — generosity, compassion and connection.

As the hampers make their way into homes across Blacktown, we know they'll bring not just food, but a little Christmas joy. And for our team, the privilege of helping our neighbours is the greatest gift of all.

A tradition grounded in kindness,
teamwork, and community connection.

We left the hospital inspired, proud,
and more committed than ever.

Our support has a measurable,
meaningful impact on local lives.

A Walk Through Hope: Our Tour of Blacktown Hospital with The Better Foundation

Earlier this month, representatives from Workers Lifestyle Group joined The Better Foundation for a guided tour of Blacktown Hospital — an experience that offered a powerful look into the impact community support can make. From the tiniest newborns to patients undergoing lifesaving cardiac treatment, the visit highlighted the vital role this hospital plays for Western Sydney.

Blacktown Hospital is the second-largest local hospital in New South Wales, serving one of the most rapidly growing and culturally diverse areas in the country. Each year, the hospital manages over 140,000 emergency procedures, delivers more than 5,500 babies, and provides essential care to hundreds of thousands of residents. Its reach is enormous and its importance cannot be overstated.

Where Life Begins: Inside the Neonatal Unit

Our tour began in the Neonatal Intensive Care Unit, where some of the hospital's smallest fighters take their first steps toward survival. Here, specialised equipment — much of it funded through donors and supporters like those of The Better Foundation — helps stabilise premature and critically ill newborns. Seeing these technologies up close was both emotional and affirming, a reminder that even the smallest improvements can create life-changing outcomes.

Expert Voices: Meeting the Respiratory Team

We then spent time with lung specialists in the respiratory unit, who walked us through the increasing healthcare needs of the region. They shared stories of patients battling chronic and acute conditions and explained how upgraded equipment has improved testing accuracy, treatment response times and patient comfort. Their passion for their work was unmistakable and it underscored just how crucial continued support is.

Heartfelt Impact: Visiting the Cardiac Ward

The final stop on our tour took us to the cardiac ward, where we saw firsthand the difference our donations have made. From advanced monitoring systems to specialised rehabilitation tools, the contributions have strengthened the hospital's ability to care for thousands of cardiac patients each year. Staff shared how these upgrades have reduced waiting times and supported better recovery outcomes — a real testament to what community partnership can achieve.

The Power of Community

Walking through the wards, meeting the staff and seeing the equipment funded through donations brought one message into sharp focus: our support has a measurable, meaningful impact on local lives. As Blacktown's population continues to grow, so does the demand for high-quality healthcare. The Better Foundation plays a crucial role in ensuring resources reach the departments that need them most.

We left the hospital inspired, proud, and more committed than ever to supporting a facility that supports so many. Our partnership with The Better Foundation continues to ensure that every contribution — no matter the size — helps build a healthier future for the people of Western Sydney.

Welfare Report

As we enter the festive season, I want to take a moment to remind all our members that Blacktown Workers Club is here for you – not just as a place to relax and enjoy, but as a community that cares.

Throughout the year, I have the privilege of visiting members who are unwell at home or in hospital, offering support and a friendly face during challenging times. I also attend funerals to pay respects on behalf of the Club, ensuring families know they are not alone in their grief.

The Christmas season can be joyful, but it can also be difficult for those who have lost loved ones or are feeling isolated. If this is you, please know that our doors are always open. Come in, share a meal, enjoy some company, and let the warmth of our community bring comfort.

On behalf of the Club, I extend heartfelt condolences to those facing a tough Christmas.

We are here to support you in any way we can.

As we head into the warmer months, please take extra care in the heat: Stay hydrated – drink plenty of water throughout the day. Avoid prolonged sun exposure – wear a hat and sunscreen when outdoors.

Check on loved ones and neighbours, especially the elderly or those with health conditions. If you feel unwell or need assistance, don't hesitate to reach out to family, friends, neighbours. Your health and wellbeing are important to us, and we want everyone to enjoy the season safely.

On behalf of the Club, I extend heartfelt condolences to those facing a tough Christmas. We are here to support you in any way we can.

Wishing all our members good health, peace, and happiness this festive season and beyond.

Merry Christmas, With all my best,

Harold Becker
